Support Our Young People

We invite you to sponsor the Empowered Youth Summit in 2026 (14th & 15th of November).

The Youth Summit has over seven years of success in providing young Aboriginal and Torres Strait Islander people from the Darkinjung Community with a connection point to their culture, identity, community and decision-making.

There is a focus on including young people with intersectional experiences such as disability, out of home care and trauma. We ensure the safety of our young people at the Youth Summit through volunteer psychologists, counsellors and other support staff from the community.

Your financial support will ensure Aboriginal young people's voices are heard!
